

November 12th, 2009

Greetings,

It is with great sadness that we write this letter. On November 3rd, 2009 at the age of 62 Ken passed away peacefully in his home. Although this came as a sudden shock to the Cyrus family we are confident in the knowledge that Ken is with the Lord in heaven.

Ken will be remembered for his steadfast faith in God, as a loving husband, father and Grandfather who gave of himself. He will be remembered for his love for people and belief that everybody has value. He will be missed greatly!

Matthew Littlejohn, Ken's son, has assumed the role of interim president of Cyrus Systems. Matthew has worked for Cyrus in a consulting capacity over the last 2 years and is very knowledgeable of the intricacies of the business. Matthew recently completed a consulting project for Cyrus and was assisting in the implementation of the findings.

Prior to taking on this position Matthew worked in the Oil and Gas industry in both the Calgary and Toronto area in a number of management positions. Matthew holds a Masters of Business Administration - MBA from the University of Western Ontario and a Bachelors of Business Administration - BBA from Simon Fraser University.

Cyrus Systems will continue providing the same level of service and quality. The Cyrus management team is saddened by the loss but is committed to continuing "Business as Usual."

Respectfully,

Cyrus Management Team
